

MEETING REPORT

Team Name: W.W.A. **Date of Meeting:** 21/03/2017

Start Time: 10:00 **End Time:** 11:00 **Meeting Location:** pc lab 2

Moderator: Noel Boçi **Recorder:** Livja Papuçiu

Other Members Present: Eixhan Gruja

Megi Bezhani

Urim Ahmetaj

Members Absent: ---

Topics Discussed:

Our first discussion was about the team name and we gave our first ideas about the project.

Members gave several ideas for the topic:

- Shesh Besh resort in the area of Sauk, it is a business that operates in the service sector.
- Everest IE, a recycle company
- GIZ-SARED, a german-danish project in Albania focused on economical and agricultural development
- Xhejdi gym, a business operating in the service sector

Decisions Made:

To contact each of these companies and get a more exact idea if they are willing to have us create this software for them, so that we can finalize the bussines idea for the project.

A Messenger group was created with all members in order to interact more easily.

Tasks Assigned:

Noel Boçi- contact Shesh Besh managers, a representative of GIZ project

Eixhan Gruja- contact a representative of Everest IE

Megi Bezhani- think of how the project can be applied to her family business, Xhejdi gym

All others- research about other companies and types of softwares that already exist in the market, their strong and weak points

Time, Place, and Agenda for Next Meeting:

pc lab 2, 28/03/2017, discuss about the tasks and how were they carried out
